The General Secretary to the
Government of Mysore,
Bangalore

Sir,

I have the honour to inform you that a sum of Rs 3500-0-0 was sanctioned on the 28th November 1893 from the State Funds Budget of the Educational Department for constructing a house for the accommodation of the Government Girls' School at Chetaldroog, and the work was carried out departmentally under the supervision of the managing Committee of the School Of this amount Rs 3000-0-0 was spent in the year 1893-94 and Rs 500-0-0 during last year In January 1895 Mr C Srinivasiengar then Deputy Commissioner and President of the managing Committee sent a revised estimate for Rs 4974 showing an extra expenditure of Rs 1474 already incurred by him without obtaining previous sanction for

certain items of additional work which the Committee thought to be absolutely necessary for the school building. The President was thereupon informed that sanction should have been obtained before taking up the work in hand so far as it involved an excess over and above the sanctioned amount. As the work has now been completed and the claims of the contractors have to be adjusted the excess amount was entered in the Statement of Building Works submitted with the Memorandum on the Supplemental Budget of the State Funds Division for the current year. I may add that the whole work has been measured and its total cost amounts to Rs 4870-3-6. The work has been carried out satisfactorily and the building is quite commodious. The house is not too large for a District Girls School like the one at Chitaldroog.

Under these circumstances I have the honour to request that Government may be pleased to sanction the payment of the balance, viz, Rs 1370-3-6 for the work referred to from the allotment for "Taluk School Buildings" in the State Funds Budget of this Department

General and Revenue Departments

Sir,

With reference to this office letter No 4088/157 dated the 8th January 1896 and the Government Order No 8308-9/Ed 225 of the 21st idem I have the honour to inform you that as per D.O addressed to Mr Bhabha by Mr C Srinivasaiyangar a sum of Rs 1370-3-6 was required as the final amount for adjusting the claims of the contractors who constructed the new building of the Government Girls' School at Chitaldroog, and sanction was thereupon requested for the payment of that sum from the allotment for Buildings in the Educational State Funds Budget of the current year. The Officiating Deputy Commissioner of the Chitaldroog District as the President of the Managing Committee of the school

now points out in his letter No 791/26 dated the 7th April 1896 addressed to this office that in the bill furnished to Mr C. Srinivasacharyar a sum of Rs 83-12-0 still due to the contractors was inadvertently left out in certain calculations and requests the remittance of the amount

I request therefore that Government may be pleased to sanction the payment of the sum of Rs 83-12-0 referred to above from the provision still available out of the allotment of Rs 2000/-, sanctioned but not now required for the school building at Tirthahalli, after deducting the excess amount of Rs 391 sanctioned for the building of the Government Girls' School at Kolar - (Vide Government Order No 104 22-3 Ed 313 of the 11th March 1896)

I have the honour to be
Sir,
Your most obedient servant,
M Srinivasacharyar
